“ *May the memories of the love that Eugene had for his family. A good model of what unconditional love is to his friends and family and total stranger. Eugene had a heart of Gold. Countless memories of how he would give and help anyone that he could. I remember his smile that would melt your heart. Eugene will be always missed. But his spirit and memories will live on for ever. God Bless

“ Eugene was a wonderful stepfather to my sisters , brother and myself. A great patience understanding man to all our children . God sent us a blessing when he sent Eugene to my family 23 years ago. I never witness a man & woman love one another so hard like Eugene and my mother. We will forever be grateful for the time & memories we all shared with Eugene . He was loved by many. Thank you for always finding away to make my mother smile.
