“ Our heartfelt condolences go out to the Kendrick family. Eugene "Cadillac" was like a part of our family. He and my brother Mosezell(deceased) were like brothers, therefore, we were all like family to Cadillac and he was family to us. Had not seen him in years prior to David Skelton's funeral and he was still calling us his lil sis, lil bro, and momma. He was a great person and will be truly missed and never forgotten. Take comfort that there is no more pain, only happiness and peace. He is at Eternal Rest with the Father and with family and friends that is welcoming him home. (Smile) RIP Cadillac. Love the Kelly Family.
