“ *I'm so sorry to hear that Sis. Gay has gone on but one thing for sure she couldn't be in a better place, I know she will be greatly miss by so many of us, and I will remember the smile she always kept on her face. One thing I have always admired is how she took care of so many people, she had so much love to give to any who came in contact with her, my heart goes out to all of her family and try to be as strong as she would be if she was here!! luv ya guys**
