“ *I will never forget my beloved Aunt Hope. She was the first face my siblings and I saw when we exited that dreaded Greyhound Bus in the Summer of 1972. We were tired and hungry from the long ride from Flint to Little Rock. We took us home with her and care for us like we were one of her own. Some of my best memories were spent with Aunt Hope in Little Rock, Flint and McGhee. Sending love, hugs, and prayer to my Flint cousins. I wish I could be there with you. Love you! ❤️❤️❤️*

“ *Mom, you were just the lady next door, when I first met you. Unbelievably, is the fact you became my mother in law. You were always welcoming, supportive, offering guidance and wisdom over the 35 years that I have been married to your son. I always said you raised him right! I remember when you chased a lose dog that was trying to bite, Tina, the courage and strength you showed, let me know you were very protective of your children, but also to anyone who was in need. You, polietly would go to great lengths to take care others. I will definitely miss going to your home during the holidays and seeing your sweet smile and delicious food. I have so many memories of just listening to you and you frequently would say that your dad was coming home today, and you were in trouble with your mom because you stayed out late, or you wanted to go home to take care of the "kids" even though they were all grown up. Rest assured you will never be forgotten. So, go ahead rest and receive your crown! it's all for you. You don't have to share it and go see all those who you missed who are now welcoming you home!*

I Gregory Rogers would like to Personally Thank my Younger Sister Tina for being able to do what no one could have. She gave up everything at the Drop of a Hat. Her job, her Career and Livelihood. She then took over the Huge Responsibility of caring for Mom everyday since the Passing of Late Husband Clerance Watkins 3 years ago. Tina I have always Admired your Strength and Determination, there were times when I could see how Tired and Worn down you were. I Prayed for you Sis, to have the Courage and Dignity to do what so many others have Failed to do. You will always be my Big, Little Sister and I Love you more than you could ever know. Thanks for taking care of Mom, and thanks for being my one and only Sister that I will always Love and Look up to. I Love you Sis.
