“ *Who can find a virtuous woman for her price is far above Rubies. Priceless! I'm fortunate to have had a mother in law who told me that she loved me as a daughter and I loved her as a Mother. She taught me much about womanhood and motherhood. My children and grandchildren were proud to have access to their Grandmother as She always welcomed all her Grands with open arms. Mom's desire was always for Her family and that they love one another. Always faithful, full of life and love you are. For now Mom I miss you until we see each other again Forever and Always! I love you!*
