*here, 5 years later. You are missed more than words could ever describe. There's so much i want to tell you, like you have 2 beautiful great grandchildren that you would have been so excited to meet if you were still here. I have a feeling you were in Gods ear with these 2 for sure. I hope and pray you got to give them some love before they came to me, so they got to know you too. We all miss you Granny. So so much. and with that, your memory will live on, i love you.*
