May God Bless you and keep you in your time of Bereavement.

“ *I would just like to share my condolences with your family at this difficult time even though I did not know Ms. Thompson personally. Many people turn to God and his Word the Bible in times like these. It is so comforted to know that he has promised to resurrect our loved ones back to life on this earth and to completely do away with death and the effects of it altogether, as stated in Revelation 21:4. I hope that this can bring you some comfort at this time.*
