“ To the family of Sister Howard I send my deepest condolences. May this God-fearing woman rest in God's memory until the resurrection. I do hope you know about the promise that we will see our loved ones again, Sister Howard taught it. If not read it for yourself in the bible book of John chapter 5, verses 28 & 29. She would use the bible and show how our Heavenly Father, Jehovah will use his son, Jesus to do the awakening of our dear loved ones from sleeping in death. Jesus did resurrect before according to John 11:11-14,43 the same as he will do in the near future. Read God's words and receive the comfort that only God's word can give. Joyce
