“ I did not know it was Evelyn until classmates informed me of the passing. I was still hoping that it was not true since the name "Higginbotham" was not associated with her; however a shared classmate assured me that it was her.

You are not alone. May it lighten your heart and brighten your day to know that many others care. Keep your head up and know that you can draw from strength from God and the people who love you. I wish Evelyn a peaceful journey.
