“ *I remember when Evelyn was a teenager and me and our other sisters would try to hang out with her and her friends. We would follow them down the street singing the name game, but using Evelyn's name to create rhymes, and she would yell at us to go home until we could go no further. She was our big sister.*

“ *I'm just learning of Mrs. William's passing and my heart is hurting. She was my son's teacher for 4 years at DTM. She taught my son how to read, write and do simple math. This may sound trivial but these were all things I was told he would never achieve. Whenever I saw her she always asked about her "handsome baby" Andre. We will definitely miss her and pray for comfort for the entire family.*
