“ Greg and Danielle, I just want to convey my sincere condolences upon your loss. I have walked that painful road of losing both of my parents. But I didn't have to walk alone. Our Savior guided my family and I through every single step by providing faith, strength, courage, and wonderful caring friends to help us along that journey. This is my prayer for you. Danielle, I'm a phone call away if there is anything at all I can do to help you and Greg. Greg and Danielle, may God Bless you and give comfort to you through this difficult time. Take care.
Love in God and Christ, Barb.

“ Yolanda, just to let you know that you and your family are in my heart and prayers for your loss. From our conversations about your mother-in-law, I know that she loved you, her son and her grandchildren dearly. I also know how much she meant to you. Stay steadfast to the wonderful, loving memories that you shared with her, for this will provide the strength to go forward. May God Bless and keep you and yours. Take care, Barb.
