“ Faye, my sister I will miss our talks, rides to Cleveland as we sing along to the old tunes laughing and talking all the way there. Family gathering and birthday celebrations., Our relationship go way back. You are resting in the arms of your savior

*If only I knew that would be our last phone call,  
Just to listen to you speak, held on longer I would have done.*

*If only I knew that would be your last text,  
Kept it in my inbox I would have done.*

*If only I knew it was the last time I was seeing you,  
Called you back and hugged you tight I would have done.*

*If only I knew it was the last time I would see you smile,  
Stood longer and watch you smile I would have done.*

*If only I knew that I was seeing your face for the last time,  
Memorize all its features I would have done*

*If only I knew that God would take you away so soon,  
Spend all my time with you I would have done.*

*There are a lot of things I would have done differently  
If only I had known.*
