“ *Jonathon we are sorry to hear of the passing of you mother. However, she is no longer suffering. You are going to miss her, but remember that God will be a mother for you and he will supply all of you needs. You have been there for your mother and did everything within your power to ensure that she had a smooth transition from Earth to Heaven. Being a registered nurse allowed you the insight to understand the the seriousness of her illness, and I'm sure you wanted to nurse her back to health, however, that was not to be. God saw fit to call "Earth's beautiful Angel" home so that she would suffer no more, and reap the benefits of her labor her on Earth. God Bless*
