“ *My sincere prayers and condolences to the family of Faustino Amaya. I first met Faustino many years ago at Pierson Elementary school. It was with great pleasure to have called him friend. Faustino was such a wonderful, respectful, and charming person with a pleasant smile and personality to match, even during those young school age years. Though many years have come and gone and we've lost touch with former classmates, I truly thank God for the wonderful time of knowing Faustino and to have placed him in my life at a time with fond memories of the past.*

"Peace I leave with you; my peace I give to you. I do not give to you as the world gives.

*Do not let your hearts be troubled and do not be afraid."
(John 14:27 NIV) New International Version*

*Blessings
Forever friend*

God looked around around his garden and found an empty space. Then He looked down upon this earth and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful,He only takes the best. Rest In Peace Faustino We All Will Miss You
