“ To the family and friends I send my thoughts, prayers and heartfelt sympathy. Flo was a friend to many and she never met a stranger. She was a beautiful person who was so talented, humorous and a no nonsense person. I loved her for being a genuine and true friend. I will miss her dearly and her talent as an excellent cook and baker especially that “lemon pound cake.” I can just imagine her shouting around the throne of God as she often did here on earth. I can just see her beautiful smile as she greets “Junior” the name I called her husband and her other loved ones. Flo you have earned your reward. You did your best so “RIP”. Love you and miss you.
