“ *Your mother was one of the kindest people I've ever come across. She was loving, kind and caring more than a friend, a teacher, to me that is, she was my second mom, and she never let me forget it. I will cherish all the memories of spending long days on the porch with her and her spending hours with me. May God reward her with heaven. Gone but always in my heart. Charles Mike Sandy Phyllis, I send love and prayers to you all. Love Karen Robinson and Family.*

“ *To the Thames Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question er might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
