“ *I wanted to send my deepest sympathy to Florene's family. Florene worked for me at Unlimited Medstaff. She was a great employee and very friendly. In the years to follow, I would run into her several times, while we were both attending University of Michigan-Flint. She always greeted people with a smile. Florene was a dedicated person to her cause.*

“ To the family...I would like to express my deepest sympathy. My thoughts and prayers are with you always. Neisey and I were very close friends. I loved her dearly and will always remember the good times we shared during our formative and young adult years. Neisey's smile, and laughter would always brighten my day and anyone else that made her acquaintance. I know that she is in a better place. Neisey loved the Lord, therefore, I know that she is smiling and her laughter will forever remain in our hearts. I will miss her dearly. God bless you all, and if you need ANYTHING, please don't hesitate to call.

“ I thank God for the time he allowed us to have with Niesey. A servant to whom he has said "Job Well Done". Remember life is seasonal but memories last forever. Niesey life was on of many seasons that proved that she was more than a conquer and memories that will forever minister to the one who holds the memories.

May the Peace of God continue to comfort you all.

Sincerely,
