“ To my cousins the Moore family. We are so deeply sadden by the passing of your mother, Aunt Tee. Our thoughts and prayers will continue to be with the family as we all go on without her. When ever we'll talk she would often mention our son Corey who she said she loved very much well now I feel better knowing that he's in good company seeing the many that's gone on before us. One of Aunt Tee favorite spirital songs was " No Tears In Heaven " I can see and hear her singing that song in church. Remember that we loved her but God loved her first. “ *To My Family:*

It deeply saddened my heart to hear of the passing of my "Aunt Tee". I will always have fond memories even as a little girl of her coming to Antoine for a visit and how glad and excited each time we would be to see her each time. She was and still is very special to us, and just as my sister Darlene said, We truly know how you feel. Just as I loved my Mother (Geneva) very much, we loved your Mother, Grandmother, Sister, and Aunt very much too. I will never forget her and my heart is sad. Sad because I cannot be there with you all in person, but my mind and spirit is there. Trust in God, and he will see you through these hard times. My kids and I love you very much, and will keep you in our prayers.

Love Always,

Lenora, Khyla, and Ashlee Turner

May the thought of knowing that family share in your sadness be of comfort to you. We will truly miss Aunt "Tee" and I know you will keep her always in your heart. I can truly say I know what you're going through but she's gone to be with mommy and the rest. She is with God and in good hands. We all Love you dearly and wished we could be with you.
