“ Ms Mamie will always be remembered!! I loved going over to the Brandon's house to play with Kelly and eat anything Ms Mamie cooked or baked (especially the bread). She was our neighborhood Mom, she loved and corrected us. I remember at Harrow Elementary School she would come get me out of class (Mr. Glass) to sit at her desk and answer the phones, I remembering being so excited she picked me and more than once! She blessed our family, Her spirit and smile will live with me forever. Love Y'all

“ Thinking about Mamie in the past tense seems strange, there are a few things I could say about how special Mamie was to me but....the thing that stick out the most is what she said to me about when you are baking...which applies to me weekly. May her memories continue to live through all she touched. I pray that God hold the families closer in his loving arms in Jesus name I pray .. Amen
