“ *Francine will truly be miss, Thank you for sharing Fran with us (Weatherly Family). We are praying God will calm every heart give peace to any troubled soul...Fran, you made me a better person in so many ways, you encourage me to stay on the right path, you took to my son, just like he was your family. I did not expect to have gotten a call that God had called you home...I know you are in heaven, this gives me comfort knowing you had lived a righteous life and we can say job well done my good and faithful servant...you have fought this fight and now it's time for you to rest. This is not easy to accept but we have to. We had spoken a few weeks ago and at the end of that conversation, we both said I Love You!! I will truly miss your smile and just our conversation.*

Much Love,

“ *When my grandparents passed away, Francine tried her hardest every year keeping their memories alive on their birthdays. She tried to bring their grandchildren together year after year on their birthday by having a dinner.....I will always remember her effort and dedication AND especially the love she had towards my siblings and I. She was such a caring person! One time my mother was coughing so bad at church to the point Francine knew something wasn't right...Francine who wasn't feeling well herself stood up from her seat, went over to my mother and escorted her out, gave her some medicine (I wasn't there but was told how Francine was the first person to my mother rescue). By the time I arrived to church, Francine was rubbing and patting my mother's back. Later on that day my mother suffered a major heart attack BUT God brought her back to us!!!! Francine was right there and assured us she was there for my mom's 10 children. She will be truly truly truly missed*
