“ Our hearts are hurting, to know that you're no longer here. Right now the tears keep flowing just thinking about you. Rest in peace Uncle Frankie. We may not be able to see, hear or talk to you physically anymore; but the times we've shared with you down through the years will forever remain in our hearts. ❤️  
Death only separates, but it can never replace the love or the memories of you that we carry deep within our hearts. Our prayers and sympathy are with all of our family, friends, and loved ones. Special prayers for Rozz and all those who personally showed love and cared for you. May God grant them strength during this time. ❤️
