“ Prayers going up for my Brother and Sister of Flint. I have a lot of memories spending Summer's, Holiday's and Christmas in Flint with my family. I Remember Frankie picking us up and bringing us back and forth from Cincinnati to Flint regardless of the weather conditions, and we road through some BAD weather. She would say just go to sleep and when you wake up you will be at home. We had a lot of good times with her. She is at peace now.
