“ Every since we heard the news I keep hearing Frankie in my head being so encouraging to all the round dancers. She had a way to make you feel very special and we will truly miss her. The banter between her and John during dance class makes me smile even now to think of it. We may not be able to see her anymore but she will always remain a part of us and I know I will always hear her in my head encouraging me with each step I take. Thank you Frankie for all you have done.

“ It is with heart felt love and gratitude that I extend my love and prayers to you, the loved loved ones of Mrs. Wynn. I adored Mrs. Wynn for her counseling and education through the Mott Foundation Stepping Stones program. It was through Mrs. Wynn that the lady I am today started to flourish. May God's abundant love and mercy continue to be yours as you grieve the homegoing of Mrs. Wynn.

“ Dear Johnnie & family,

We are saddened to hear of the passing of your beloved Frankie. We have so many fond memories of her & you from over the years. I will always cherish her happy laughter and the joy she gave to all of us in the dancing groups. Our daughter was but a toddler when we first met you two, & now the time has flown & all of our children are adults now. May the Lord surely comfort you & your family and give you peace. We know the last few years have been rough for Frankie, but now I'll bet she once again has her dancing shoes on & she is right in step.

As long ago, when Delynn & Butchie used to play while we danced at Clark School, we send you a hug & some "sugar."

Love & peace from your friends
