“ Uncle Frankie, it is so hard to write this because it means you have gone on. You were the baby boy and how ironic that you were the last of Ruth's Tribe to go. My heart is heavy but I know these past three-four months have been very hard on you. You are no longer suffering and I know you are in a much better place. No longer will we have those 1-2 hour conversations, I won't hear my nickname any more, and I will no longer hear you laying on the doorbell at Daddy's house. You never ceased to be there for us, through thick and thin, life and death, joy and pain...you were there for us and so many others. Oh we had our tough times but we made it over. You are reunited with so many that have gone on before you including Mom (Mae Jones), Aunt Audrey, Uncle Jimmy, Aunt Jean, Gram, and K. Soar on above the clouds, no more drama, no more pain, no more sickness. You earned your wings just as you did your pension. The good thing about the Wings, they are for eternity. I Love You...Toad
