“ Love lives on forever ~
In each memory and thought
of the special ones
who meant so much
and the happiness they brought.
Love lives on forever ~
it will never fade away,
For, in our hearts, our loved ones
are with us every day.

With Love and Sympathy,

“ *My Cousin Freddie used to come by our house on many occasions, just to visit with his family and his favorite Uncle Olee He would always say, hey old man and my Grandfather would just smile and be so excited about seeing his favorite nephew. I'm so grateful I was able to see Freddie a couple years ago. He was definitely a joy to be around. RIP.*
