*Meet me at the gate.*

*His beautiful memories are in our heart to stay.  
But just like a flower he was part of god plan.  
So when it was his time he reached down his hand.  
He look through the garden searching for the best.  
That's when he found you Uncle Freddie, it was your time to rest.  
I know it is hard for all of us who loved him, to just let him go.  
But, God has a spot in his garden that need a gentle soul.  
So when we still missing Uncle Freddie, remember it we just wait.  
When God has a spot in his garden Uncle Freddie will meet us at the gate.*

*Love: Gwen Smith ( Nena) Kane fish oldest daughter.*

“ There's a lot of memories but this one is my favorite.. When a lot of us was flying to North Carolina and our flight was delayed and he told the lady at the counter that he had to get to Raleigh because he was meeting with Attorney Johnnie Cochran to go over a case he was on and he needed to get there. She started telling him some options with included more money and he laughed,so she just smiled and said you're going to be late and I started laughing so hard.Then as we were waiting for our flight he told everyone sitting around us that I didn't want to go to Law School become a lawyer like him so I just got up and walked away because everyone was looking at me like I was crazy for not going. That still put a smile on my face,,I'm really going to miss him he was the Uncle with jokes.
