“Dad, I just want to say, Thank you and I love you deeply.

Though I am a man of few words, I want to say you will be eternally missed.

You taught me the meaning of true strength and the constant pursuit of excellence—the belief that you must always strive to win.

Thank you for being the strongest Soldier and Father in our lives. I appreciate you.

You have fought the good fight and finished the race. You kept the faith, and now you have received your eternal crown and are at rest with Christ.

You will always be remembered.

With all my love and respect,

Freddie
