“ *To the family of Freddie Spencer, words cannot explain the shock and hurt we feel for your loss. Freddie will always be remembered for his serious but smiling face and joking manner. He was a good person with a great personality and a great track & basketball coach. He was very stern with coaching , but it all paid off in the end and that's also with Bryant Jr. High School girls basketball team. He will be missed truly, our prayers are with you*

“ To the Family my heart goes out to you and my prayers are with. Mr. Spencer was my volleyball coach in the 70's at Bryant Jr. High School then I thought he was so mean. He later became a canusa coach for my son and I realized his love for kids. I also had the pleasure of working with him one summer with the 21st Century Program at Civic Park Elementary School. He was a very loving and kind hearted man and his love for children and sports will be greatly missed. He was a great man I am so glad I had the pleasure of meeting him. May God be with you all.
