*I was just viewing the obits only to find that Gary has passed. My prayers and condolences are with your family at this time. It has been a long time since we have seen each other. To find out this kind of information has taken me by surprise. I can just remember Gary laughing and acting crazy as usual. May God be with the family at this time to strengthen you and give you comfort. It may not seem like it now, but this grief will one day be a little easier to bear.*

“ I am sorry to hear of your loss. May you find comfort in family and friends at this difficult time. The Bible gives hope that soon our Creator Jehovah God will end all suffering, pain, and death. And we have the hope of being reunited with our loved ones that have passed away. Rev 21:4, John 5:28-29. There will be many of those asleep in the ground of dust who will wake up to indefinitely everlasting life.
