He enjoyed traveling, listening to Jazz and had a style unmatched by any other. Gaylon had a very charismatic personality that exercised a compelling charm that inspired devotion in others. friends including special friend, Felicia Weaver-Collins.

“ *I have seen people on Facebook refer to Gaylon as Uncle Sunshine and what an appropriate description. I wasn't around him very much, but whenever I was, he was always smiling and laughing and always had a hug for me! He was nearly 7 feet of sunshine and will be greatly missed! Family reunions will not be the same without him! RIP, Cousin Gaylon! Love you!*
