“ *Gail was was a important part of me becoming a man ,she knew me before I was even born. She was my neighbor for 20 plus years. She taught me and Arthur aka Count a lot about life and growing into mature men . She would always give me good advice on my relationships. Without Gail, Ms Chapman , and Sarah Wilson, I truly would not know where I would be. My heart feels broken in pieces , but I know that you are in a better place. I love u Aunty Gail and I hope to see you again one day.*

“ *Gaynale was right there in the delivery room when I was having my daughter Britnee, and she held my hand and prayed for me the whole time. I always loved her after and she was an AWESOME mother and grandmother, very caring and concerned. She treated me and Brit so good every time we seen her and she will be greatly missed.*

To Gaynale's Family: I am so sorry for the loss of your dear loved one. May prayers and memories comfort you. And may God, who loves you, comfort your heart and "make you firm," as you cope with your grief. 2 Thessalonians 2:16,17
