“ 🎄 Merry Christmas mom, nothing's the same without you. I come understand that this type of pain and sorrow never goes away. The greatest gift I've ever received is you. Now you not here with us anymore. Never in my life could ever imagine this would be so hard on me. So often I wake up crying and I just have a hard time stopping, I would give anything just to see you and talk to you and hug you, but I can't 😭. I pray for the strength to be ok mom, but it's so hard on me, nobody can prepare themselves for this. I Love you with all my heart, I miss you so much. Merry Christmas ma. Forever and ever Love Jackie.....

“ Today makes a year since you have left. So much has changed these 12 months. You have a new great grandson and he's a handful. Mom has really adjusted well to being a grandmother again and she's awesome. We love you so much and talk about you all the time and miss you dearly.

I can go on for days about all the laughs that we've shared. I am slowly grasping on to the concept that you are not physically here anymore, but one thing that gives me comfort is the fact you are at peace. I love you Granny Geart....Rest In Love*

“ There are a lot of things in life that we are unsure of. A lot that we can't guarantee and a lot that we question. Growing up with Grandma Geart, I never questioned the love she had for me because she showed me her heart of gold every second, of every day. Growing up, I didn't know a lot, but I knew Grandma loved me and she knows how much I love her. Grandma, you will be missed and I will make sure that your legacy lives on forever.....
