“ Gene, known as Workie. One of my favorite cousins. I was in his first wedding. He was always so kind and loving. My big cousin. My Workie Turkey (I guess the only thing we could find that would rhyme). As a kid my vocabulary was limited. Lol. Gene will be missed. That beautiful smile. Love him always. He spoke with his Uncle John before he left and I know he's in a good place. Two good men together again.

“ "Workie" as I know you, will be truly miss by me. Your voice, smile and your laugh is what I will always remember. I looked up to you, Bug, and Larry as my "Big Uncles" and still do, but I always had a crush on you, but than again all of the Diltz's men were and still is fine gentlemen! LOVE YOU!, REST IN PEACE!
