“ So saddened to hear of the passing of Genie. She will be remembered as a lively spirit with a contagious smile. Came to know her years ago through work, and had lost touch as time went by. Wishing the best to her family, and praying that the good memories will sustain them at this time. Much Love, Sheena and husband Johnny. ❤️

“ *Sister Simmons is an angel. She led me to the baptismal pool with no judgement thanking Jesus all the way! She will be truly missed and I wish to express my deepest condolences to her family and friends. She even kept in touch with me through letters when I wasn't attending church. ( in this day and age) A beautiful spirit that I look forward to seeing again when my time comes*
