“ *I always say "if you don't have a Uncle George, you better get you one." I could call him for advice (my financial advisor) or just to see how he was doing. It never ended with at least an hour and a half to two hour conversation. Always a good laugh and good advice. Always had a gum cabinet for the kids at his Mother's (my grandmother's) house for the kids. Love and miss you Uncle/Cousin . Only our family know the story behind Cousin. 😂*
