“ *This guilt is killing me. I'm frustrated. I can't even call you. I'm sorry I wasn't there to call an ambulance. I'm so da-- frustrated. But I'm getting a small percentage of peace knowing that you forgave me for being absent. But I won't be able to ever forgive myself. I love you and miss uncle Eric dearly. Everyday. Love, niece niece*

“ Well George...you left me and now Mysto left me. I'm heartbroken. I miss y'all. I hope you like his Chicago tribute I made him. Damn man damn damn damn. I feel like I'm losing my mind. Its so much I wanted to show you...so many music and shows I wanted to watch with you. So many people I wanted you to meet! I really miss you. I love you dearly. I'm empty. I wish Grandma Bessie was here....i really do. I love you so much. Mysto looked after me when you left. He didn't let you down. But I let you down. I would've got you an ambulance had I been there. I gotta live with this guilt..a ponderous unpleasant guilt. My friendly, fun, outspoken uncle....i love you. Always. Love, niece niece.

“ You were my favorite uncle... I'm lost George I came to Michigan to see you and our cousin...and you left me. I hate how we fell out near your death. I remember when I hugged you in your room before I left I never thought that would be my last day. I 🥺 the times we listened to music til early a.m. I missed the times we watched forensic files together and watching 90s cartoons for nostalgia until the early morning. I'm lost George, love your only neice, Jasmine Moye Smith
