“ My condolences to the Polk and Nelson family. I remember Gerogianna from Nelson Chapels days. My fondest memory of her is when we kids would be chewing gum in church, and she would come with her hand held out for us to spit out gum. She was a sweet beautiful person. She always had a smile. May GOD comfort you all.

“ My Sincere Condolences to her Family. And Pastor Gillie and First Lady Darlene and her Church Family. I've known Mother Polk, for many years. We worked together at Moon's, some years back. She has always been a Praying Woman of God, and Inspiration in her testimonies, about the goodness of Jesus. She will be missed. I had been calling and checking on her, but not recently. I loved all of our conversations, about when she was growing up and her dad was her Pastor and he Ordained, her and her sisters, as Preachers of the Gospel. This was way back, when being a Woman Minister, was not popular. RIH now take your rest Mother, and here our Lord and Savior Jesus Christ say: Well done, my good and Faithful Servant 🙏💙
