“ *We have so many memories. Gone to soon. I remember when he use to dare us to stay up all night long and we would be up doing random stuff like running outside in the snow with no shoes or socks on. Getting tied up in the basement and seeing how long it takes for us to free ourselves. It was so fun. He bought me my first gold hoop earrings. Gone to soon bro. It won't be the same without you in the summer. Rest up bro. Love you. I will take care of the kids always.*
