“ *I will truly love and miss her from the bottom of my heart. My fondest memories will be of her and my mother Brenda, taking Tywana, Schwan, and myself, downtown on Saginaw street to the carnival and then going back to her house to listen to Good Morning Heartache, one of her favorite songs, over and over making it one of my favorites too. We will always have you in our hearts. Schwan, Katie, and Kathy know that you are not alone in this. Unfortunately my family can not be there presently for you, but know that if you ever want to talk or cry together . We are here for you.*
