“ Send love and comfort to Danie and Frank. I share in the heart break but celebration of Aunt Gerry’s home going!❤️💔 I will miss her beautiful smile and comforting words of wisdom. Words can’t express what she meant in my life throughout the years. I can remember the times we spent the night when Aunt Gerry was studying for her career in nursing. She made us laugh and loved us knowing we didn’t really understand the importance of quiet while she was studying.😊 Through childhood and adult life she was there for us all. Rest in God’s arms!! You will always be in my heart and cherished memories as a significant part of my life. Your niece Lydia

“ To Danielle and Frank,
Worked with your Mom for many years at FOH and Genesys. She was a wonderful person & Christian, a very good personal friend, a great nurse, and we loved her.
She helped me with IV tech-stuff. She could ALWAYS get the IV pumps to run right, and I could seldom! I helped her with rhythm strips from heart monitors, as I’d worked with them a lot previously. I know you will miss her, but I’m sure she’s enjoying heaven. God bless and keep you both, and all your families.

P.S. Lenny and Joe say Hi, and they are sorry for your loss. They remember staying at your house the winter Gerry and I were picketing.....a long time ago.
