“ *To the Ivory Family, It's like losing a son, because Gerard have been a Blessing in my life and family. I will miss him dearly, Elder Henry Bell adopted him as our Son before he passed in 2003 and Gerard was there for us at all time. He always ask me Mom how are you doing and I would say fine becaue I have the Lord In my life and you. I say Gerard I'll see you one day. Tank will miss you also. Love You*

“ Ivory family you have our prayers deepest sympathy. We will miss his presents on the back pews in bible study. And his strong one armed hugs. Gerard would want all his children to build a strong relationship in order to keep his legacy alive. Be of good cheer because Gerard was in Christ Jesus. Absent from the body, present with the Lord.

“ *Daddy I Love and miss you so much. It is still so very hard to beleive that you are gone and no longer there for me to call on...I know that God will never put more on me than I can bear but this has to be the hardest thing I have ever went through... I am happy to know you that you left here loving me and being very proud of me. You always reminded me of how proud you were of me. You were a GREAT DADDY and I want you to know that I am proud of you as well.*

*Not only were you a great Daddy but you were a excellent grandfather. You always made sure your grandchildren were taken care of. I can just picture you and Zyan playing and Zyan looking for the gummie life savers that you bought for her. You were the the best PA PA.*

*R.I.P. Daddy! I LOVE YOU SOOOOOOOO MUCH!*
