Rember God is with you even in days of loss of your love one. Keep a quiet place in the corner of your heart:a place where you can meet with God: where you can feel the touch of his hand. You will hear the loving sound of God's voice. He will assure you that no matter what, God will take care of you everyday, each step of the way. The power of prayer is the greatest power on earth. Prayer moves mountains. No matter what happens, God will take care of you. Sincerely, With love Leroy, God bless.

“ *To the Dorsey family, Gilbert and I met in the third grade at Dewey school but our families have a long history. His father and my mother came from the same home town—Alexandria, Louisiana. Our fathers boxed on the same Golden Gloves team in the 1930's and we both went into the field of Dentistry. Gilbert gave me my first nickname "pigtails" because of my braids. Rest In Peace my friend. My condolences to the Dorsey family.*
