“ You wasn't my father but I appreciate you stepping up and becoming a father figure. You were there during award ceremonies, took me and picked me up to get my hair done for Prom when no one else answered. You was there for my graduation. Apart of our family activities. I could call and talk to you about any and everything. You were just so loving and sweet. The ONLY guy I ever liked and importantly LOVED that my mom dated. Because you were the best. Your heart was pure and your intentions were ALWAYS good. Another amazing person gone from my life. I am just hurt and heartbroken and in total disbelief. R.I.H. Gilbert. I am gonna miss you LOTS. Love always, La'Trease. 😭😭😭😭
