“ Antonio, I want to extend my condolences to you and your family, your mom was like an extension of my own mom, she was always nice, kind, giving and always had a smile on her face. She is in a better place now with no more suffering or pain, she is with other loved ones and even my parents, they are having a reunion I'm sure. May God bless you and keep you. “ *To the Segrest & Nichols family. I love you all dearly. I am ecstatic that God has allowed her to be among us for this long. Her memories will linger forever. Especially when she would tell Deanna *take her behind back down the street!* Ask me, "Why I smile so much & can I keep Deanna out of trouble?" My answer would always be laughing!!! So now she is with Mr. Segrest driving the ornamental truck to heaven....*
