“ *Jerome and Dennett:*

My thoughts and prayers are with you both during this transition time for you and your family.

Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light. -Matthew 11:25-30

“ *My prayers are with the family. I remember being a little girl and you named me Beep-Beep!! Never knew where the name came from. May God provide comfort and peace in this sad time. But have reassurance knowing that where Sistergirl is at there is no more suffering and no more sadness. Rest In Peace, Sistergirl.*

“ To Glenda's Family. Please know that your loved one was a very special lady. She cared deeply for those she serviced for many years at Rite Aid and for that I, and I'm sure many others, will be forever grateful. As I visited the pharmacy just yesterday and spoke with her co-workers, we all realized that we missed her gentle spirit and that she will never be forgotten. I am thankful that God's grace permitted me to be in her presence as I stood at the pharmacy counter for many years-for she was truly one of His angels here on earth. God's blessings on the entire family. Sincerely, Teri Chambry.

I met Glenda only once at a Gino Vannelli concert back in 2005. We talked for a bit and she knew my father who was a jazz musician as well. She signed my program with, "To Sue I can't believe the world is so small. So glad for you, Gino, and your Dad Kent Wilson. Love Glenda F. Bradford, Percussion 5/31/05. I came across this and looked her up on line to send her a hello and mention my Gino program she signed. I'm sorry to hear of her passing. Sounds like she was a lovely person.
