“ To the Washington Family I extend my sincere condolences in hearing on yesterday the passing of Glenda (Lady). My heart is heavy, yet I have many fond memories of friendship that goes back decades. Through the years Lady has always held a special place in my heart and has always kept that same sweet spirit from when we first met. Your family are in my thoughts and prayers during this difficult time.

“ To Sis Washington, Alexis, Dundee, Button, Tyra and the entire family. It seems like I have known Lady my whole life and I am going to miss my talks with her. The last time I talked to her which was about a month ago she was trying to encourage me and I will never forget her words. She told me to pray for peace like a river and I was praying the same for her and I will be praying the same for you all, and for the peace that surpasses all understanding to guard your heart and mental powers by means of Christ Jesus. I love you all. Selina Long Merriwether

Lady, was one of the best people I've ever meant. She took care of others when she was probably in need her self. They don't make them like that anymore. The world is even colder without her! You will be missed!
