“ *Prayers and heartfelt condolences to the entire Beal family, Flint Northwestern Class of 73, and his many friends. Cherish all of the wonderful memories you all shared, His Love for the Lord, his beautiful caring spirit, and his zeal for life. For our earthly house has dissolved, we have a building of God. A house not made with hands, eternal in the heavens. Rest on in Jesus' arms, Glenn, knowing that "Joy cometh in the morning".*

“ Our hearts are so saddened after hearing of the passing of our dear Friend and Brother. Brother Glenn was a very nice and kind man with a heart of gold. He never met a stranger, and he was always eager to talk to anyone. He was a worker and he didn't mind helping others. I met Brother Glenn when we attended Emerson Jr High School. He was such a nice young man, always kind and polite, and always made it his business to speak to you. If it's one thing you knew about Brother Glenn, it was that he loved the Lord and that he aspired to preach God's Word. He was a musician at heart and he loved playing the piano and organ. The joy of the Lord was his strength; and regardless of what he went through he always found his way to the Lord's house. Many of days we would look up and there was Brother Glenn coming through the doors of Pasadena COG, even with his care givers. Whenever Brother Glenn came to Church, they had to come too. One thing I'll say about our Dear Brother, is that even after he suffered a life altering experience that nearly took his life; he did not stop. God raised him up; he got up, and went right back into the battle. His physical being had changed, but his love for his Savior and the people of God hadn't.

Sister Clare our hearts go out to you and the Family. Our prayer is that God will give all of you the strength and comfort you need to get through these trying times. To be absent from this earthly tabernacle is to be present with the Lord. Brother Glenn is at rest now. God has wiped away his tears, and taken away his pain. Keep trusting God. He will help you. Love, Hugs, and Kisses ❤️

“ *To the Beal Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
