“ *Mother's are special sent by God. To bare children, and even to cook those special pies. I know she was a strong lady of character, she wore it very well. I prayed to God for her, and she just thanked me and smiled. She showed me strength and her trust in God, so to her family I leave these words with you. She gave all the love that she could give, her wisdom, and a beautiful smile, showing you how to win this fight for Jesus with humbleness and pride. She's not gone, but in your heart she lives. I will miss her, she really tickled me. Reminising about her children, the love that you all did bring. Staying by her side through everything. She raised some wonderful children. Love you all, and praying that you heal from your lost, one day at a time.*

“ To the Hamlin Family:

I was sorry to hear about the passing of your loved one. Death is liking to a thief that comes and takes away our loved ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

Many wonder why we grow old and die. Romans 5:12 answers this question. Its says that because of Adam sinning his punishment was death and sin and death was passed on to us all. However, our loving God, Jehovah made a way out for us all by sacrificing his only son(John 3:16). God promises us we will see our loved ones again (1John 5:28,29). *Yours truly,
Patricia*
