“ Sheila, there are no words to express the pain and sorrow our family is feeling. Your laughter, smile, and warm heart would make anyone enjoy being in your presence. My mama(Deely) always use to tell me everytime she would call to the house "girl if you don't sound like sheila when you answer the phone, you sound just like her!" I would laugh and say "oh, I do." The times that we shared before you moved will always be a fond memory of my heart and I will cherish them forever. I know you are up there with your brother(Ed) having the time of yall lives & with the others as well. May you rest in peace and watch over the family. Love you much, Plunk.(grandma called you that)

“ Shelia,

Your smile and laughter will always be with me. Whenever I saw you, you were always smiling. The love in your heart was always extended to everyone. I remember when you always said and told everyone that you and ED(my brother) was sister and brothers. You and Ed are together now. Give him a kiss and hug for me. I will truly miss you.

*I love you,

“ Shelia,

I miss you more than words can say...Imma miss bugging you about when you were going to move back home. I remember when we were at grandmomma's house and I put on Mike's beads and she choked me!!! And then I got a whipping from grandma bc she always told us to leave Mike alone....you didn't get a whipping (of course) lol Or...the times when you, me, and Martha Barry had our gospel singing group and we use to go different places singing. (those were the good ole days you know) and I will never, ever forget your voice as you sang "I'll go if I have to go by myself" at Prarie Chapels Choir! I love you my sister and I will forever miss you! God bless you!

“ I am truly sorry for your loss. Sheila was an amazing person. We lost contact over the years; but, I thought about her often and the memories we shared. I remember us walking up and down Sixth Street during the summers. I just regret that we lost contact but I will always remember her and the good times we shared.

I will continue to keep the family lifted up in prayers. Stay strong because I know this is what Sheila would want and know that God is in control.
