“ To the family Gloria Long we are going to really miss her She was a wonderful, loving Mother & Grandmother.I thank God that we were blessed to have her in our lives, and we have had many memories together that will live in our hearts forever. It was to soon but God knows what's best. What I will miss the most is when you would buy some kind of electronic device and call me over so I could show you how to work it. (SMILE) We LOVE YOU Gloria !!!!!!!!!!!!!!! your spirit will always live in us.
